## PRESS RELEASE

### PHF2020 Postponed Until Further Notice

The COVID-19 pandemic has significantly impacted events and activities around the world by causing them to be cancelled and postponed. Various guidelines that focus on prohibiting mass gatherings and maintaining social distancing were also imposed by the authorities to break the chain of transmission.

After careful consideration and consultations with all stakeholders, the organising committee of Penang Hill Festival 2020 (PHF2020) has decided to postpone the event until further notice.

Organised by Penang Hill Corporation (PHC) and held annually, Penang Hill Festival was scheduled to take place from 16 -19 July 2020 to celebrate the history, natural habitat, and cultural heritage of Penang Hill. Many enriching educational programmes and exciting activities were lined-up for visitors to have rich and fulfilling experience about Penang Hill.

The postponement is a measure to safeguard the participants, exhibitors, and supporters of PHF2020 in light of the on-going global Covid-19 pandemic. PHF2020 will be rescheduled at a time to be announced, subject to compliance with the guidelines by the Penang State Government and the relevant authorities.

PHC would like to thank everyone for their continuous support towards Penang Hill which is instrumental in making it a must-visit destination in Penang and the hill resort of choice in Malaysia and the region.

PHC is committed to working towards the best possible outcomes, stay up-to-date at [www.penanghill.gov.my](http://www.penanghill.gov.my) or check our official Facebook page at [www.facebook.com/mypenanghill](https://www.facebook.com/mypenanghill) for the latest developments.
